RASHT SHOWROOM

Parnian Showroom in Rasht spans 650 square meters on the first floor and 120 square meters on the second floor of the complex. The aim of designing this showroom is to update the interior architecture of the decor and present a new collection of tiles and ceramics suitable for each decor. On the first floor, the design is exclusively focused on showcasing the best contemporary designs. In addition to wet areas (bathrooms and restrooms), other spaces such as bars, pantries, and living rooms have been designed and executed using tiles. A separate space design incorporating slabs with a green wall is one of the unique features of this showroom. The second floor is entirely dedicated to the direct presentation of tile and ceramics in various sizes. Utilizing panels combined with fancy volumes, an environment has been designed to display the tile in the best possible way. The goal of this design is to create an exceptional feeling in visitors and to optimize the use of all space for the presentation and display of products.

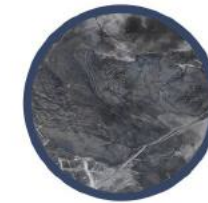

شوروم پرنیان در شهر رشت، فضایی با مساحت ۶۵۰ متر مربع در طبقه اول و ۱۲۰ متر مربع در طبقه دوم این مجموعه است. هدف از طراحی این شوروم، به روزرسانی معماری داخلی دکورها و ارائه کالکشن جدید کاشی و سرامیک متناسب با هر دکور می باشد. در طبقه اول، طراحی منحصر به ارائه بهترین طراحی های روز متمرکز شده است. تلاش شده تا علاوه بر فضاهای خیس (حمام و سرویس بهداشتی)، فضاهای دیگری نظیر بار، پنتری و اتاق نشیمن نیز با استفاده از کاشی طراحی و اجرا شوند. طراحی در فضای جداگانه با استفاده از اسلب در ترکیب با گرین وال یکی از نقاط منحصر به فرد این شوروم می باشد. طبقه دوم به طور کامل به ارائه مستقیم کاشی و سرامیک در ابعاد مختلف اختصاص یافته است. با استفاده از پنل ها در ترکیب با حجم های فانتزی، محیطی طراحی شده تا کاشی ها به بهترین شکل ممکن نمایش داده شوند. هدف این طراحی، ایجاد احساسی فوق العاده در بازدیدکنندگان است و استفاده بهینه از تمام فضا برای ارائه و نمایش محصولات صورت گرفته است.
